Art Unit: 1645

Non-responsive amendment

1. The reply filed on 2/13/02 is not fully responsive to the prior Office action because: Applicants have ignored the previous Office Action mailed on 10/19/01 in which Elected Group II was examined. Applicants elected Group II, claim 4, drawn to an antibody, in Paper NO. 7 on 8/6/01. In response to the complete Office Action mailed on 10/19/01, Applicants have cancelled claim 4 and stated that they "hereby elect with traverse group 1 for reasons stated in the Response to the previous Office Action submitted on August 6, 2001". Applicants are only entitled to Examination of one Group. They cannot elect a different group after receiving an Office Action on their originally elected Group. Since the period for reply set forth in the prior Office action has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 CFR 1.136(a).

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.

2. Papers related to this application may be submitted to Group 1600 by facsimile transmission. Papers should be faxed to Group 1600 via the PTO Fax Center located in Crystal Mall 1. The Group 1641 Fax number is (703) 308-4242 which is able to receive transmissions 24 hours/day, 7 days/week.
